# Salute To Seniors

The Westminster Chamber of Commerce and the Westminster Senior Foundation held a luncheon on Aug. 16 at the Westminster Rose Center to honor the Volunteer of the Year. Westminster Chamber of Commerce President Joanne Vogelsang had the honor and pleasure of introducing HW's Senior of the Year, David Piper. David had a very surprised look on his face when his name was announced! He was presented with a beautiful plaque and several awards from the Mayor and City Council of Westminster, HW Senior Living, the Senior Foundation of Westminster and Assemblyman Mansoor. The entertainment was provided by Cadette Troop 1650 and Brownie Troop 2082. Rick and Robin Sottile also entertained us with a sing-along with songs from yester-year. Thank you, David, for all that you do!

## Dish Network is Coming To The HW Senior Apartments!

In celebration of our 25th Anniversary, and to say "Thank You" to our residents, we will be upgrading our cable service to Dish Network. This will provide more channels, better reception, and of course, it's free to HW residents. We will give you plenty of notice before we make the switch, but we know it will be a great benefit to all of us! Don't forget that we are giving a \$500 referral fee to any resident who brings a prospect to the HW and that prospect rents an apartment and signs a one year lease.

## THE LUNCH BUNCH

We were treated to a wonderful lunch by Carol Smith, who was our cook for the day. We had grilled chicken, veggie shish-kabobs, grilled corn on the cob, Rice-A-Roni and homemade sweet potato pie. It was scrump-de-li-umptious! Boy, you don't know what you're missing by not showing up to the lunches here at the HW. So,

come one, come all, and enjoy the camaraderie! You'll be glad you did. With good food, good conversation and good service, how can you go wrong? See you there!

—Brenda Bumiller

## HOLLYWOOD PARK RACES

On July 14, a group of our residents boarded the bus to go to Hollywood Park Race Track. Upon arriving, we were treated to a buffet table laden down with fried chicken, many salads and veggies. All of it was so tasty and delicious! With our appetizers taken care of, we studied the racing forms, horses, jockeys and colors, then made our choices. There was a lot of cheering and shouting from our seniors! Dignified? I think not! Fun to be with? You betcha! We won some and lost some, but it was one wonderful day. I can't wait to go again!

—Betty Werner

## CAROUSEL

On July 15, Catharine took us for a special night out to see Carousel at the Rose Center Theater. As the curtain rose, we were treated to the most beautiful music! We remembered when this musical hit Broadway a few years back. With book and lyrics by Oscar Hammerstein, it never loses its magical charm. We really enjoyed it! Afterwards, we went out for dessert and drinks, and just to have fun being with each other. Thank you, Catharine, for this special evening.

—Better Werner

## OLIVE GARDEN

Mama mia! (No, not the musical.) These words best describe our visit to the Olive Garden restaurant on July 20. We were led by "Twinkle Toes" Kondo. (There's no song she can't dance to.) Driving the bus was Ray's replacement, Ruth N., who has the same name as my mom. We were also joined by "Party Girl Extraordinaire"

Betty W. and, of course, our "usual group of suspects." This time, we were joined by talented new-comer Pearl, of "Pearl in Peril" fame. She promptly ordered a strawberry margarita. Way to go, Pearl! We were also lucky to have along Beverly G., who introduced us to "Italian Soul Food." Pearl and I tried the lasagna and it was bella, bella! I also must say, the "Cuisine Italiano" was aboganza and deliciouso (abundant and delicious). All who were there agreed that we're amore with the Olive Garden and hope to return soon. I must say that this evening was bellissima!

## PAMPERED POOCHES

OK ladies, have your drool towels at the ready, because this month our featured K-9 resident is our own hunk, the mighty Samson! The first question I

asked was how he liked living at the HW. He said, "Woof, woof! Bow-wow! Arf!" which means, "Well, Mr. Dead-Eye, I love it here because the residents are always so kind and friendly." Next, I asked him about his personal guru Barry Schwartz. His answer was, "Arf, arf! Bark, bark! Woof!" Which means, "Mr. Barry has me on a strict, healthy diet and gives me good workouts daily." Then I asked him about his crush on Pixie. He said, "Bow-wow-wow-wow-wow!" No translation needed. Finally, I asked Samson about Fitch, his rival for the fair Pixie's favors. He responded, "Grr, grr, rowl, rowl, rowl!"

Again, no translation needed. So residents, it would appear that we have a K-9 love triangle, so stay tuned. In honor of Oktoberfest, next month's featured K-9 resident will be our own weiner dog, Fitch DeRobbio, Pixie's other suitor.
